Adobe Express (formerly known as Adobe Spark) is a web-based platform and mobile application designed for the quick and easy creation of graphics, short videos, and web pages without requiring advanced design knowledge. It offers predefined templates that allow users to create

engaging content for social media, presentations, posters, banners, and more. Adobe Express is ideal for small businesses, content creators, students, and marketing professionals who need to generate high-quality visual material in a short amount of time. Additionally, it integrates with the Adobe suite, enabling users to sync projects between applications like Photoshop and Illustrator for more advanced workflows.

This product comes with a license linked to the user's account. Valid for three months, for one PC per license.
