Description

Adobe Lightroom Classic is an advanced version of Lightroom designed specifically for professional photographers who require detailed control over the photo editing process. Unlike Lightroom (cloud-based), Lightroom Classic works with local catalogs and provides advanced tools to organize, edit, and enhance photographs in RAW or JPEG formats. It is ideal for those managing large volumes of photos and needing an efficient editing workflow, from color and exposure adjustments to blemish removal. Additionally, it allows photos to be sorted and organized using tags, keywords, collections, and other methods. Lightroom Classic is widely used by photographers who require full control over their libraries and an offline workflow, with advanced editing and export capabilities.

This product consists of a license linked to your user account. Valid for three months, for one PC per license.

Compatibility:

Adobe Lightroom Classic Requirements:

Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.

Processor:

- Minimum: Intel or AMD processor with 64-bit support and SSE 4.2.
- Recommended: Quad-core processor or better for optimal performance with large photo catalogs and RAW edits.

RAM:

- Minimum: 8 GB.
- Recommended: 16 GB or more for optimal performance in high-resolution photo editing.

Disk Space:

- Minimum: 2 GB of available hard drive space for installation. An SSD is recommended to store cache files and improve performance when handling large photo libraries.

Screen Resolution:

- Minimum: 1024 x 768.
- Recommended: 1920 x 1080 (Full HD) or higher for better photo and editing tool visualization.

GPU:

- Minimum: Compatible with DirectX 12 (Windows) or Metal (macOS) with 2 GB of VRAM.
- Recommended: Graphics card with 4 GB of VRAM for faster editing, especially on 4K monitors and higher.

Delivery:

After purchase, we will send a link to connect your account to the Adobe Lightroom Classic subscription.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
