Description

This product is no longer sold separately. If you wish to purchase it, it is included in Adobe Creative Cloud All Apps; click here to buy.

Adobe After Effects is the industry-standard software for creating motion graphics and visual effects. Used in film, television, video games, and advertising, it is essential for animations, advanced compositing, visual effects, and post-production work. After Effects allows users to create and manipulate moving images, integrating 2D and 3D graphics into their projects. It is especially powerful for creating text animations, complex visual effects, and multi-layer compositions. It also integrates seamlessly with other Adobe programs like Premiere Pro, Illustrator, and Photoshop, enhancing creative workflows. Its GPU-accelerated rendering engine and the ability to use scripts and expressions make it a versatile tool for high-quality audiovisual projects.

This product includes a license linked to your personal user account. three months duration, for one PC per license.

Compatibility:

Adobe After Effects Requirements:

Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.
