Description

This product is no longer sold separately. If you wish to purchase it, it is included in Adobe Creative Cloud All Apps; click here to buy.

Adobe Media Encoder is an application designed to encode, convert, and export video and audio files in a variety of formats and settings. Widely used by video editors and film professionals, it is essential for processing projects from Adobe Premiere Pro, After Effects, or Audition.

Media Encoder allows exporting files in multiple formats, such as H.264, HEVC, MPEG-2, QuickTime, and more, optimized for different platforms like YouTube, Vimeo, social networks, television, and mobile devices.

This product includes a license linked to your personal user account. Valid for three months, for one PC per license.

Compatibility:

Adobe Media Encoder Requirements:

Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.

Processor:

- Minimum: Intel or AMD multi-core processor with 64-bit support.
- Recommended: Quad-core or higher processor for better performance, especially for encoding and exporting large videos.

RAM:

- Minimum: 8 GB.
- Recommended: 16 GB or more to handle high-resolution video projects (4K or higher) or multiple simultaneous exports.

Disk Space:

- Minimum: 4 GB of available hard disk space for installation. An SSD is recommended for storing media files and improving encoding speed.

Screen Resolution:

- Minimum: 1280 x 1080 screen.
- Recommended: 1920 x 1080 (Full HD) or higher for an optimal experience.

GPU:

- Minimum: Compatible with DirectX 12 (Windows) or Metal (macOS).
- Recommended: Dedicated graphics card with at least 2 GB of VRAM for better hardware acceleration during video export.

Delivery:

After your purchase, we will send a link to connect your account to the Adobe Media Encoder subscription.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
