Description

This product is no longer sold separately. If you wish to purchase it, it is included in Adobe Creative Cloud All Apps; click here to buy.

Adobe Audition is a powerful audio editing and production tool, widely used in the film, television, radio, and podcasting industries. Audition offers a non-destructive multitrack editing environment, ideal for mixing and mastering audio in complex projects. Additionally, it provides advanced tools for audio restoration, noise reduction, sound effects, and real-time processing. It can also handle high-resolution files and multiple formats, making it perfect for professional sound projects. Audition integrates seamlessly with other Adobe applications, such as

Premiere Pro, allowing users to maintain an efficient audiovisual workflow for video and audio post-production.

This product includes a license linked to your personal user account. three months duration, for one PC per license.

Compatibility:

Adobe Audition Requirements:

Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.
