Description

Office 2019 is one of the most popular versions of Office, as it is lighter than Office 2021.

This version stands out from the more economical version (Office 2019 Professional Plus) in that it can be reinstalled on another device since it is linked to your Microsoft account.

Recommended for:

- Businesses that require an Office version without usage limitations, but without the need to pay for an annual subscription.

- Individuals who have only one device or who wish to pay once and then forget about product activation.

- Individuals or businesses looking to save in the long term by not paying an annual fee for the program.

- Those who need to be constantly formatting hard drives or who change devices frequently.

Compatibility and operating systems:

Office 2019 is exclusively compatible with Windows 10 and Windows 11; it cannot be installed on any other operating system.

For Mac or mobile users, prefer Office 365.

For Windows 7, Windows 8, or Windows 8.1 users, prefer Office 2013 or Office 2016.

For Windows XP or Windows Vista users, choose Office 2010.

Product Delivery:

This product is provided as a 25-digit digital license code. After making your payment, an email will be sent to you containing the activation code and instructions. The email will include a manual to guide you through the installation process easily, using the official system provided by the manufacturer.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.
