Description

[This product is no longer sold separately. If you wish to purchase it, it is included in Adobe Creative Cloud All Apps: click here to buy.](#)

Adobe XD is a tool designed for creating and prototyping user interfaces (UI) and user experiences (UX). It is used by designers of applications, websites, and other interactive digital products. Adobe XD allows designers to create wireframes, high-fidelity mockups, and interactive prototypes that can be easily shared for review or usability testing. It also offers real-time collaborative design tools, enabling multiple users to work on the same project simultaneously. With its integration with other Adobe tools, such as Illustrator and Photoshop, and the ability to create animations and transitions between screens, Adobe XD has become one of the most popular platforms for UX/UI designers looking to optimize their workflows.

This product includes a license linked to your user account. It lasts three months year and is valid for one PC per license.

Compatibility:

Adobe XD Requirements:

Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.

Processor:

- Minimum: Intel or AMD processor with 64-bit support.
- Recommended: 4-core processor or higher for smooth performance.

RAM:

- Minimum: 4 GB.
- Recommended: 8 GB or more to handle larger and more complex projects.

Disk Space:

- At least 3 GB of available hard disk space for installation. SSD is recommended for better performance.

Screen Resolution:

- Minimum: 1280 x 800.
- Recommended: 1920 x 1080 (Full HD) or higher to accurately view designs and prototypes.

GPU:

- A high-end GPU is not required, but a dedicated graphics card can improve performance for more complex projects.

Delivery:

After your purchase, we will send a link to connect your account to the Adobe XD subscription.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
