Description

This program will enable you to protect your files and privacy by securing them with passwords and the functionality to hide folders from other users on your device. It also allows you to monitor any changes made to the hard drive or folder by other users on the same computer.

Recommended for:

Individuals or companies that need to protect their privacy by hiding their files from other users and securing them with passwords.

Compatibility and Operating Systems:

Windows 2000/2003/XP/Vista/[11/10/8/7](#)

Product Delivery:

Both the purchase and the delivery and installation are carried out digitally. You will be able to download the program from easeus.com and enter the code we provide to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
