Description

Resize, merge, format, delete, clean, clone, update, or transfer your files easily with EaseUS Partition Master Professional. With this software, you can configure and perform partitions on your hard drive without worrying about data corruption. It enables you to clone or migrate the operating system to an SSD/HDD with your files intact. Move your OS disk to SSD/HDD or create partitions. You can convert MBR to GPT and vice versa, NTFS to FAT32, and more.

Recommended for:

Individuals or technicians who need to organize their files across different partitions, create WinPE boot disks, and clone disks & partitions. This version does not support Windows Server or centralized management. This license does not receive updates.

If you need file recovery, please visit the [Todo Backup](#) category.

Compatibility and Operating Systems:

Supported operating system:

[Windows 11/10/8/7](#)

Hardware Requirements:

CPU: At least with X86 or a compatible CPU with a main frequency of 500 MHz.

RAM: Equal to or greater than 512MB

Disk space: Hard drive with 100 MB of available space.

Product Delivery:

Both the purchase and the shipping and installation are done digitally. You will be able to download the program from easeus.com and enter the code provided by 3clicks to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
