Description

Resize, merge, format, delete, clean, clone, update, or transfer your files with ease using EaseUS Partition Master Server. This program allows you to configure and partition your hard drive on your servers without worrying about data corruption. It enables you to clone or migrate the operating system to an SSD/HDD with your files intact. Move your OS disk to SSD/HDD or create partitions. You can convert MBR to GPT and vice versa, NTFS to FAT32, and more.

Recommended for:

Businesses and technicians who need to organize their files into different partitions on servers, create WinPE boot disks, and clone disks & partitions. This license does receive updates.

If you need file recovery, please visit the Todo Backup category.

Compatibility and operating systems:

Supported operating system:

Windows Server 2022/2019/2016/2012/2008/2003/

Hardware Requirements:

CPU: at least an X86 or compatible CPU with a main frequency of 500 MHz.

RAM: equal to or greater than 512MB

Disk space: hard disk drive with at least 100 MB of available space.

Product Delivery:

Both purchase and delivery and installation are done digitally. You can download the program from easeus.com and enter the code provided by 3clics to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
