Description

Clone, update, or transfer your files easily with EaseUS Todo Backup. This software allows you to back up all data and settings of a partition or all the hard drive partitions, so you don't have to worry about data corruption. It enables you to clone or migrate the operating system to an SSD/HDD while keeping your files intact.

Recommended for:

Individuals or technicians who need to protect their data and then instantly restore their files (after backing them up with the same software) for two years. If you require a permanent version of the program, please review the product: EaseUS Todo Backup Home (Permanent).

Compatibility and Operating Systems:

Supported Operating System:

Windows 11/10/8/7

Security Storage Devices:

HDD / SSD / RAID

USB Drive / Tape / FTP Server

NAS / DVD / Shared Network Location / Etc.

This version does not support Windows Server or central management. This version does not include SQL/Exchange restoration; for that, please purchase the EaseUS Todo Backup Advanced Server (Annual) version.

Product Delivery:

Both the purchase and the delivery and installation are done digitally. You can download the software from easeus.com and enter the code provided by 3clics to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
