Description

Clone, update, or transfer your files with ease using EaseUS Todo Backup. This software enables you to back up all data and settings from a single partition or every partition on the hard drive, alleviating worries about data corruption. It allows you to clone or migrate the operating system to an SSD/HDD while keeping your files intact.

Recommended for:

Individuals or technicians who need to safeguard their data and then restore their files instantly (after backing them up with the same software) over the course of a year. If you require a permanent version of the software, please review the product: [EaseUS Todo Backup Home \(Permanent\)](#).

Compatibility and Operating Systems:

Supported operating system:

[Windows 11/10/8/7](#)

Safe storage devices:

HDD / SSD / RAID

USB Drive / Tape / FTP Server

NAS / DVD / Network shared location / Etc.

This version does not support Windows Server or central management. This version does not include SQL/Exchange restoration; for that, please purchase [EaseUS Todo Backup Advanced Server \(Annual\)](#).

Product Delivery:

Both purchase and delivery, including installation, are conducted digitally. You can download the software from [easeus.com](#) and enter the code provided by 3clicks to activate the program.
