Description

Clone, update, or transfer your files with ease using EaseUS Todo Backup. This software enables you to back up all data and settings from a single partition or from all the hard drive's partitions, ensuring you don't have to worry about data corruption. It allows you to clone or migrate the operating system to an SSD/HDD while keeping your files intact.

Recommended for:

Individuals or technicians who need to protect their data and then restore their files instantly (backup must be done previously with the same program) permanently. If you require a one-time use version or one with a shorter duration, at a lower cost, please visit our one-month and two-year versions.

Compatibility and Operating Systems:

Compatible operating system:

Windows 11/10/8/7

Data storage devices:

HDD / SSD / RAID

USB Drive / Tape / FTP Server

NAS / DVD / Network shared location / Etc.

This version does not support Windows Server or centralized management. This version does not include SQL/Exchange restoration; for that, please purchase the EaseUS Todo Backup Advanced Server (Permanent) version.

Product Delivery:

Both purchase and delivery, including installation, are conducted digitally. You can download the program from easeus.com and enter the code provided by 3clics to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
