Description

Clone, update, or transfer your files effortlessly with EaseUS Todo Backup Server. With this software, you can back up all the data and settings from a single partition or all the hard drive partitions, ensuring you never have to worry about data corruption on your company's devices. It offers tools for backing up Windows Server and network booting with PXE. Disk cloning and OS migration to SSD/HDD are also supported.

Recommended for:

Businesses, technicians, or professionals who need to protect their server data and then restore their files instantly (after backing up with the same program) for one year. If you require a permanent version of the program, please review the product: EaseUS Todo Backup Server (Permanent)
