Description

Clone, update, or transfer your files easily with EaseUS Todo Backup Server. With this software, you can back up all the data and settings from a partition or all the hard drive partitions, so you don't have to worry about data corruption on your company devices. It provides tools for backing up Windows Server and for PXE network boot. It supports disk cloning and OS migration to SSD/HDD.

Recommended for:

Businesses, technicians, or professionals who need to protect their server data and then instantly restore their files (previously backed up with the same program).

If you need a version for one-time use or for a shorter duration, at a lower cost, please visit the one-month and two-year versions.

Compatibility and operating systems:

Supported operating system:

Supports Windows Server.

Windows 10/8/7/Vista
