Description

Transfer programs, settings, and files to a new PC or from one server to another with Easeus Todo PCTrans Technician. This tool enables you to create a comprehensive backup of your files, retrieve data from a damaged computer, and migrate your user accounts to a new system. You can begin working on your new device immediately without having to redo the settings from the old one. It is compatible with any Windows version and any computer. This edition allows you to transfer settings from one server to another, in addition to your files.

Recommended for:

Businesses or technicians who need to transfer all information from an old server to a new one quickly and effectively, with unlimited data and program transfer, or to recover files from a damaged server.

Compatibility and operating systems:

Supported operating system:

[Windows 11/10/8/7](#)

[Windows Server 2022/2019/2016/2012/2008/2003](#)

Product delivery:

Both the purchase and the delivery and installation are carried out digitally. You can download the program from easeus.com and enter the code we provide to activate the program.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.

All our EaseUS products are permanently on sale, up to 10% cheaper than on other sites. We are the best option for purchasing EaseUS software.
