### Description

[This product is no longer sold separately. If you wish to purchase it, it is included in Adobe Creative Cloud All Apps: click here to buy.](#)

Adobe InDesign is a professional tool for creating publications, editorial design, and interactive documents. Used by graphic designers, editors, and marketing professionals, InDesign is ideal for creating books, magazines, newspapers, brochures, posters, and interactive digital content

such as PDFs with links and forms. InDesign allows advanced work with text and graphics, offering typographic precision, image alignment, and tools to manage multiple pages and styles. Additionally, it integrates with other Adobe applications such as Photoshop and Illustrator, making it easy to incorporate graphics and images into complex designs. It is a key tool for those who need to produce high-quality printed or digital documents with consistent and precise layouts.

This product includes a license linked to your personal user account. Duration: three months, valid for one PC per license.

### Compatibility:

### Adobe InDesign Requirements:

#### Operating System:

- Windows 10 or later (64-bit versions only).
- macOS 11 (Big Sur) or later.

#### Processor:

- Minimum: 64-bit compatible Intel or AMD processor.
