Description

Office 365 (Recently renamed as Microsoft 365) is the most popular version of Office globally. This package includes a one-year subscription that grants access to all Office programs: Word, Excel, PowerPoint, Outlook, Access, Publisher, and OneNote across up to five Windows or Mac devices and five mobile devices simultaneously.

With Office 365, you will never be left behind as the program automatically updates to the latest version of Office available.

Recommended for:

- Users looking to purchase Office for their family.
- Micro and small businesses seeking to activate their Office programs legally and affordably.
- Individuals who use Office on multiple devices and need to synchronize documents across all of them.

Compatibility and Operating Systems:

- Compatible with all currently used Windows systems. It also works on all Macs from High Sierra onwards. If you have an older Mac, our technical team can assist you in upgrading to the latest version. Additionally, it operates on iOS and Android.
- The installation is not affected if your Windows is not original. However, we recommend purchasing the license if you have not yet activated it. Click here to buy Windows 10.
- Activation without regional blocking: You can activate the program anywhere in the world without restrictions.
- Allows for reactivation on another device and the removal of unused devices.
- It does not include OneDrive. If you need to use that service, consider Microsoft 365 Personal

Product Delivery:

The purchase, delivery, and installation are all handled digitally. Immediately after completing your purchase, you will receive your digital license along with installation instructions.

-The email containing the license includes a link to detailed installation instructions, including a step-by-step explanatory video tutorial.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.
