Description

McAfee Antivirus Plus is a lightweight software, easy to install or uninstall if necessary. It effectively detects Trojan viruses stored on your device. Moreover, it safeguards your personal and banking information, including credit card details, in the event you wish to make an online purchase. By protecting your information, it prevents potential scams by halting the transaction process.

McAfee Antivirus Plus features a Secure File Shredder that eradicates confidential files, ensuring they are not merely moved to the recycle bin. This antivirus comprehensively prevents your PC from unwittingly transmitting information to cybercriminals, safeguarding any private or personal files on your PC, tablet, or smartphone.
