Description

This product includes a one-year subscription to use Microsoft 365 with your own user account. It comes with 1 TB of OneDrive storage and allows for seamless account linking as well as reinstallation across different devices.

This product is intended for personal use and is not recommended for installation in business environments.

Recommended for:

- Users looking to activate Office and who require the use of OneDrive
- Individuals who need to use Office software with their own user account
- Users who frequently utilize cloud-based systems

Compatibility:

Compatible with all Windows systems from [Windows 8.1](#) and Mac from High Sierra onward. It is not compatible with Linux or Chromebook.

Product Delivery:

This product is a subscription that will be linked to your personal email address. Upon payment, an email will be sent with instructions on how to activate your one-year subscription.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support.
