Description

Project 2016 is an extra Office program that is sold separately. It is a program used in the field of management, for creating project diagrams of all kinds.

This version of Project differs from the more economical license (Project 2016 Pro) in that it can be transferred to a new device through the administration panel of your Microsoft account.

Project 2016 is compatible with all Windows versions from Windows 7 onwards.

Recommended for:

- Anyone who needs to buy Visio
- People who need to use Visio as a standalone program and not as a subscription.

Compatibility:

- Project 2016 is compatible with Windows 7, Windows 8, Windows 8.1, Windows 10, and Windows 11.

- It is not compatible with Windows Vista and Windows XP.
- If you have a Mac, you must install a Windows virtual machine, as it is not compatible with Mac.

Product Delivery:

This product consists of a 25-digit digital license code. After payment is made, an email will be sent with the activation code and instructions. The email includes a manual so you can easily install it yourself, through the official system of the manufacturer.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
