### Description

Project 2021 is an additional Office program sold separately. It enables the creation of Gantt Charts, concept maps, among other useful information for individuals dedicated to management.

This version of Project is the "Pro" version, which includes all the software features.

### Recommended for:

- Anyone who requires purchasing Project
- Individuals needing to use Project as a standalone program and not as a subscription.

### Compatibility:

Project 2021 is exclusively compatible with [Windows 10](#) and [Windows 11](#).

If you have an earlier version of Windows, opt for [Project 2016](#), which is compatible with all Windows versions starting from [Windows 7](#).

If you have a Mac, you must install a [Windows 10](#) virtual machine, as it is not compatible with Mac.

### **Product Installation:**

If you already have Office, you can install Project alongside your existing Office; it installs as a separate program.

### **Product Delivery:**

This product is provided as a 25-digit digital license code. After making your payment, an email will be sent to you containing the activation code and instructions. The email will include a manual to guide you through the installation process easily, using the official system provided by the manufacturer.

### **Company:**
