Description

Visio 2019 is an extra Office program that is sold separately. It is a program used for vector drawing.

This version of Visio differs from the more economical license (Microsoft Visio 2019 Pro) in that it can be transferred to a new device through the management panel of your Microsoft account.

Recommended for:

- Anyone who needs to buy Visio
- People who need to use Visio as a standalone program and not as a subscription.

Compatibility:

- Visio 2019 is exclusively compatible with Windows 10 and Windows 11.
- If you have an earlier version of Windows, prefer Visio 2016, which is compatible with all Windows versions from Windows 7 onwards.
- If you have a Mac, you need to install a Windows 10 virtual machine, as it is not compatible with Mac.

Product Delivery:

This product consists of a 25-digit digital license code. After payment is made, an email will be sent with the activation code and instructions. The email includes a manual so you can easily install it yourself, through the official system of the manufacturer.
