### Description

Office 2024, released in October 2024, is the latest version of Office available as a permanent license. It differs from the previous version (Office

2021) by including AI-powered features, such as Microsoft Copilot, which were previously only available with Microsoft 365.

This product does not require annual payments and comes with a 25-character license key.

To activate this license, it is required to have [Windows 10 Pro](#) or [Windows 11 Pro](#). Click here to purchase them.

### Recommended for:

- Businesses looking for the latest version of Office without usage limitations and without annual payments.
- Individuals with only one device who want to pay for Office just once.
- Anyone looking to save in the long run by avoiding yearly maintenance fees for the software.

### Compatibility:

- Office 2024 works exclusively on Windows 11 and Windows 10.
- For Mac or Mobile users, Microsoft 365 Personal is recommended.
- For Windows 7, Windows 8, or Windows 8.1, Office 2013 or Office 2016 is recommended.
- If you are looking for a more affordable option, consider Office 2021.

### Product Delivery:

This product consists of a 25-digit digital license code. After payment is made, an email will be sent with the activation code and instructions. The email includes a manual so you can easily install it yourself, through the official system of the manufacturer.

### Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
