Description

Panda Dome Complete is an antivirus that encompasses a broad array of features, one of which is exceptional protection against viruses, advanced threats, and cyberattacks.

Panda Dome Complete includes Cleanup, which enhances your device's performance and speed. It also features a password manager to keep you safe from hacking attempts.

It boasts superior Parental Control, enabling you to monitor your children's or family's internet usage and ensure their private access to the Internet with VPN (150MB/day).

Additionally, its remarkable Identity Protection capability during online browsing and shopping will bolster your confidence in these activities.
