Description

Project 2024 is an extra Office program sold separately. It allows users to create Gantt charts, concept maps, and other useful information for people dedicated to management.

The 2024 edition is the latest available from Microsoft Project. This version of Project is the "Pro" version, including all the features of the software.

Recommended for:

- Anyone who needs to purchase Project
- People who need to use Project as a standalone program and not as a subscription.

Compatibility:

- Project 2024 is exclusively compatible with Windows 10 and Windows 11.
- If you have an older version of Windows, opt for Project 2016, which is compatible with all Windows versions starting from Windows 7.
- If you have a Mac, you need to install a Windows 10 virtual machine, as it is not compatible with Mac.
- If you have Office 2021 installed, you must purchase Project 2021. To work with this license alongside the rest of the Office programs, you need to purchase Office 2024.

Product Delivery:

This product consists of a 25-digit digital license code. After payment is made, an email will be sent with the activation code and instructions. The email includes a manual so you can easily install it yourself, through the official system of the manufacturer.

Company:

Based in Hong Kong, 3Clicks International Limited reaches customers worldwide, offering original products that activate seamlessly, no matter where you are. We accommodate requests for invoices or quotes, ensuring our global clientele receives tailored support
